

## Janet Morris

Trustee

Janet is an accomplished global leader with experience in general management, strategy, sales, marketing, and customer experience. She has a proven track record of achievement and delivery in over 20 organisations in both permanent and interim CEO, CMO and CCO roles – many in competitive international markets including education, publishing, and aviation. She now has a portfolio career which includes both interim CEO roles and several Non-Executive Director and Trustee roles primarily within international organisations. Janet has consulted extensively on strategy in many organisations in commercial, not for profit and public sector.
